CHAMPAGNE PAUL DÉTHUNE

Ambonnay, on the Montagne de Reims, is one of 17 villages in Champagne rated as Grand Cru. The Déthune family is one of the oldest here, having tended vines on the village's privileged slopes since the early 17th century. Today Pierre Déthune and his wife Sophie have 7ha planted with to 70% Pinot Noir and 30% Chardonnay, all entirely within the Ambonnay Grand Cru vineyard and all farmed according to biodynamic principles.

FORTIFIED WINE

2402	1987 Marsala Superiore Riserva Marco de Bartoli – Sicily, Italy		231.00

3,500 Grillo vines per hectare, planted between 1970 and 1996 in Contrada Samperi, Marsala, in mostly level land, with sandy loam soil. The vines are trained with the “alberello” (gobelet) or single Guyot system. The grapes are picked and selected by hand, soft pressed, naturally decanted and traditionally fermented at room temperature, in oak and chestnut barrels. Part of the must is enriched with grape brandy for the preparation of “mistella” which is later added to the wine. The wine ages over 20 years in large oak and chestnut vats of different sizes.

LIQUEUR

Liqueur de Prunelle	Laurent Cazottes	19.00
---------------------	------------------	-------

Produced from foradze Sloe berries, allowed to ripen “passerillage” until late December in order to concentrate the aromas with the first yearly frost. The fruit is further concentrated by drying out on racks. The berries are then broken manually then macerated for six months before careful and gentle distillation. The “Eau de vie” extracted from this young prunelle marc is then added back to the liquor and gives it vitality and length. Really great with anything chocolate.
