Donal felt that the *Apricot* tale had become rather exaggerated of late.

INTRODUCTION

Welcome to Dickie's ledger of libations – the finest of sniffers, gargles, tipples and bracers. Being somewhat of a stickler, Dickie has arranged them in classic single-entry bookkeeping style:

After a strenuous day's plant-hunting or something equally arduous – bonsai carpentry or goldfish milking perhaps – Sergeant Taylour and Donal agree there's nothing better to help one unwind, and to stiffen the resolve for the next day's valiant endeavours.

Cin-cin!

DICKIE'S
COCKTAIL SCHOOL
COMING SOON

Dickie's does make a dashed good cocktail, I must say.

Using the best of the season's harvest
and a jigger or two of the finest ambrosias.

Every month we offer you a unique insight in to the
expertise and secrets of the Dickie's Bar team and to
discover a glimpse in to the hard work and passion that
goes on behind the scenes.

The monthly classes are held on a Saturday 15:00 -
17:00pm. Each masterclass includes the teaching and
making 2 cocktails per person, canapés fresh from the
Corrigan's kitchen and a recipe card for you to take
home and practise in your own surroundings.
